- Computer Engineering
- Computer Science
- Computer Science – Professional
- Electrical Engineering
- Electrical Engineering – Bioengineering
- Electrical Engineering – Computer Engineering
- Environmental Engineering
- Management Information Systems
- Management Information Systems – Business
- Management Information Systems – Computer Science
- Mechanical Engineering
- Petroleum Engineering

COLLEGE OF HEALTH SCIENCES

- MAJOR** Kinesiology and Health
- Kinesiology and Health Promotion

INTERDISCIPLINARY MAJORS*

- MAJORS**
- Earth Systems Science
Multiple options
 - Environmental and Natural Resources Affiliated Major
Multiple options
 - Microbiology
Offered by Agriculture, Arts and Sciences, and Health Sciences
 - Reproductive Biology
Offered by Agriculture and Arts and Sciences

*Combination programs that cross over more than one discipline. May be signed up for in any of the listed colleges.

Degree: An award conferred by a college or university signifying that the recipient has satisfactorily completed a defined academic or vocational-technical program of study: Associate of Arts, Associate of Science, Associate of Applied Science, Bachelor of Arts, or Bachelor of Science.

Certificate: An official document issued to a student by a college or university attesting to the training, aptitude and/or qualification gained from the satisfactory completion of a defined program of study. Credit hours vary from 0 to 60 credit hours and are awarded for attendance or specific skills gained. (Attendance requirements vary from one hour to two years of study, depending upon program requirements.)
