\* Combination programs that cross over more than one discipline. May be signed up for in any of the listed colleges.  
 \*\* Pre-professional options are undergraduate majors that provide prerequisite coursework for these professions.

**Degree:** An award conferred by a college or university signifying that the recipient has satisfactorily completed a defined academic or vocational-technical program of study: Associate of Arts, Associate of Science, Associate of Applied Science, Bachelor of Arts, or Bachelor of Science.

**Certificate:** An official document issued to a student by a college or university attesting to the training, aptitude and/or qualification gained from the satisfactory completion of a defined program of study. Credit hours vary from 0 to 60 credit hours and are awarded for attendance or specific skills gained. (Attendance requirements vary from one hour to two years of study, depending upon program requirements.)
